

Nissan Forklift Part

Nissan Forklift Part - Nissan takes great pride in attaining complete client satisfaction, when their customer is experiencing one of their various products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to providing high value and meticulous quality standards to their customers. Incorporating a prosperous heritage combined with solid manufacturing principals, Nissan lift trucks provide a few of the best materials handling equipment the industry has to offer.

In order to meet the worldwide requirements of their diverse consumer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to offering customer support, the business has four distinct manufacturing facilities that permit them to constantly adapt to their consumers continually evolving needs by providing an array of progressive ideas and concepts.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are dedicated to the design, manufacture, and support of their lift truck products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this allows sectors of the Nissan Forklift Operation to sustain environmental accountability by using systems and procedures that reduce their environmental footprint. These high standards remind customers that Nissan operates under the quality seal that their clients insist upon while being an environmentally aware company.

Nissan is fairly confident that any of their customer's queries and client concerns directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, reaching one of their locally sanctioned dealers or even visiting their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their warmth and commitment.
