

Electrical Part for Forklifts

Forklift Electrical Parts - Lift trucks together with various lift trucks may have particular labels for use in some hazardous locations. The mark indicates that this specific model of forklift meets the minimum standards of ANSI/UL 553 utilized for electric lift trucks or ANSI/UL 558 used for internal combustion engine forklifts.

Applications for marked forklifts can be found in National Fire Protection Association NFPA 505 - Powered Industrial forklifts including: Type Designations, Areas of Use, and Maintenance and Operation. Consult your local insurance carrier and Fire Marshall for more information regarding the permitted uses of industrial powered lift trucks in your application.

If the lift truck has been found to satisfy the outlined standards, the following labels could be put. A marked truck will have the model description located on the lift truck nameplate and would have one of the following labels placed.
