

Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning trade. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have over sixty years combined experience with effectively marketing, manufacturing, designing, developing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are committed to providing top quality and new design concepts in order to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines always offers fresh design concepts. They like providing items which energize both their dealers and their partners and provide production gains to their customers.

The team at TREK enjoys tackling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' requirements and skills combined with their understanding of cleaning applications, together with owners' strong desire to considerably lessen expense through productivity gains.

When considered necessary, the employees within TREK and its several dealer members in both parts and in technical support would be obtainable. One of their core values is their high service dedication in their customer service. Keeping their clients' cleaning machines running and ready on a daily basis is top priority. The company's top of the line technology delivers dependable machinery that eventually reduces your cleaning cost. The price, the service and the product all work as one to make them the leader in the business.
